Intro to Enactus UK

Introduction

Enactus is the UK's leading combined youth social action and youth social enterprise charity developing thousands of young entrepreneurial spirits every year.

Our mission in the UK is to be recognised as a leader in developing a sustainable national network of socially-minded young leaders of the future who transform communities and society through real-life social action and environmentally responsible enterprise.

Global Goals

The 2030 Global Goals for Sustainable Development serve as a framework for the meaningful progress Enactus Students have been creating for years and will continue to do so through sustainable, innovative entrepreneurial solutions.

EN•ACT•US

Entrepreneurial

Igniting business innovation with integrity and passion

Action

The experience of social impact that sparks social enterprise

Us

Student, academic and business leaders collaborating to create a better world.

True or False?

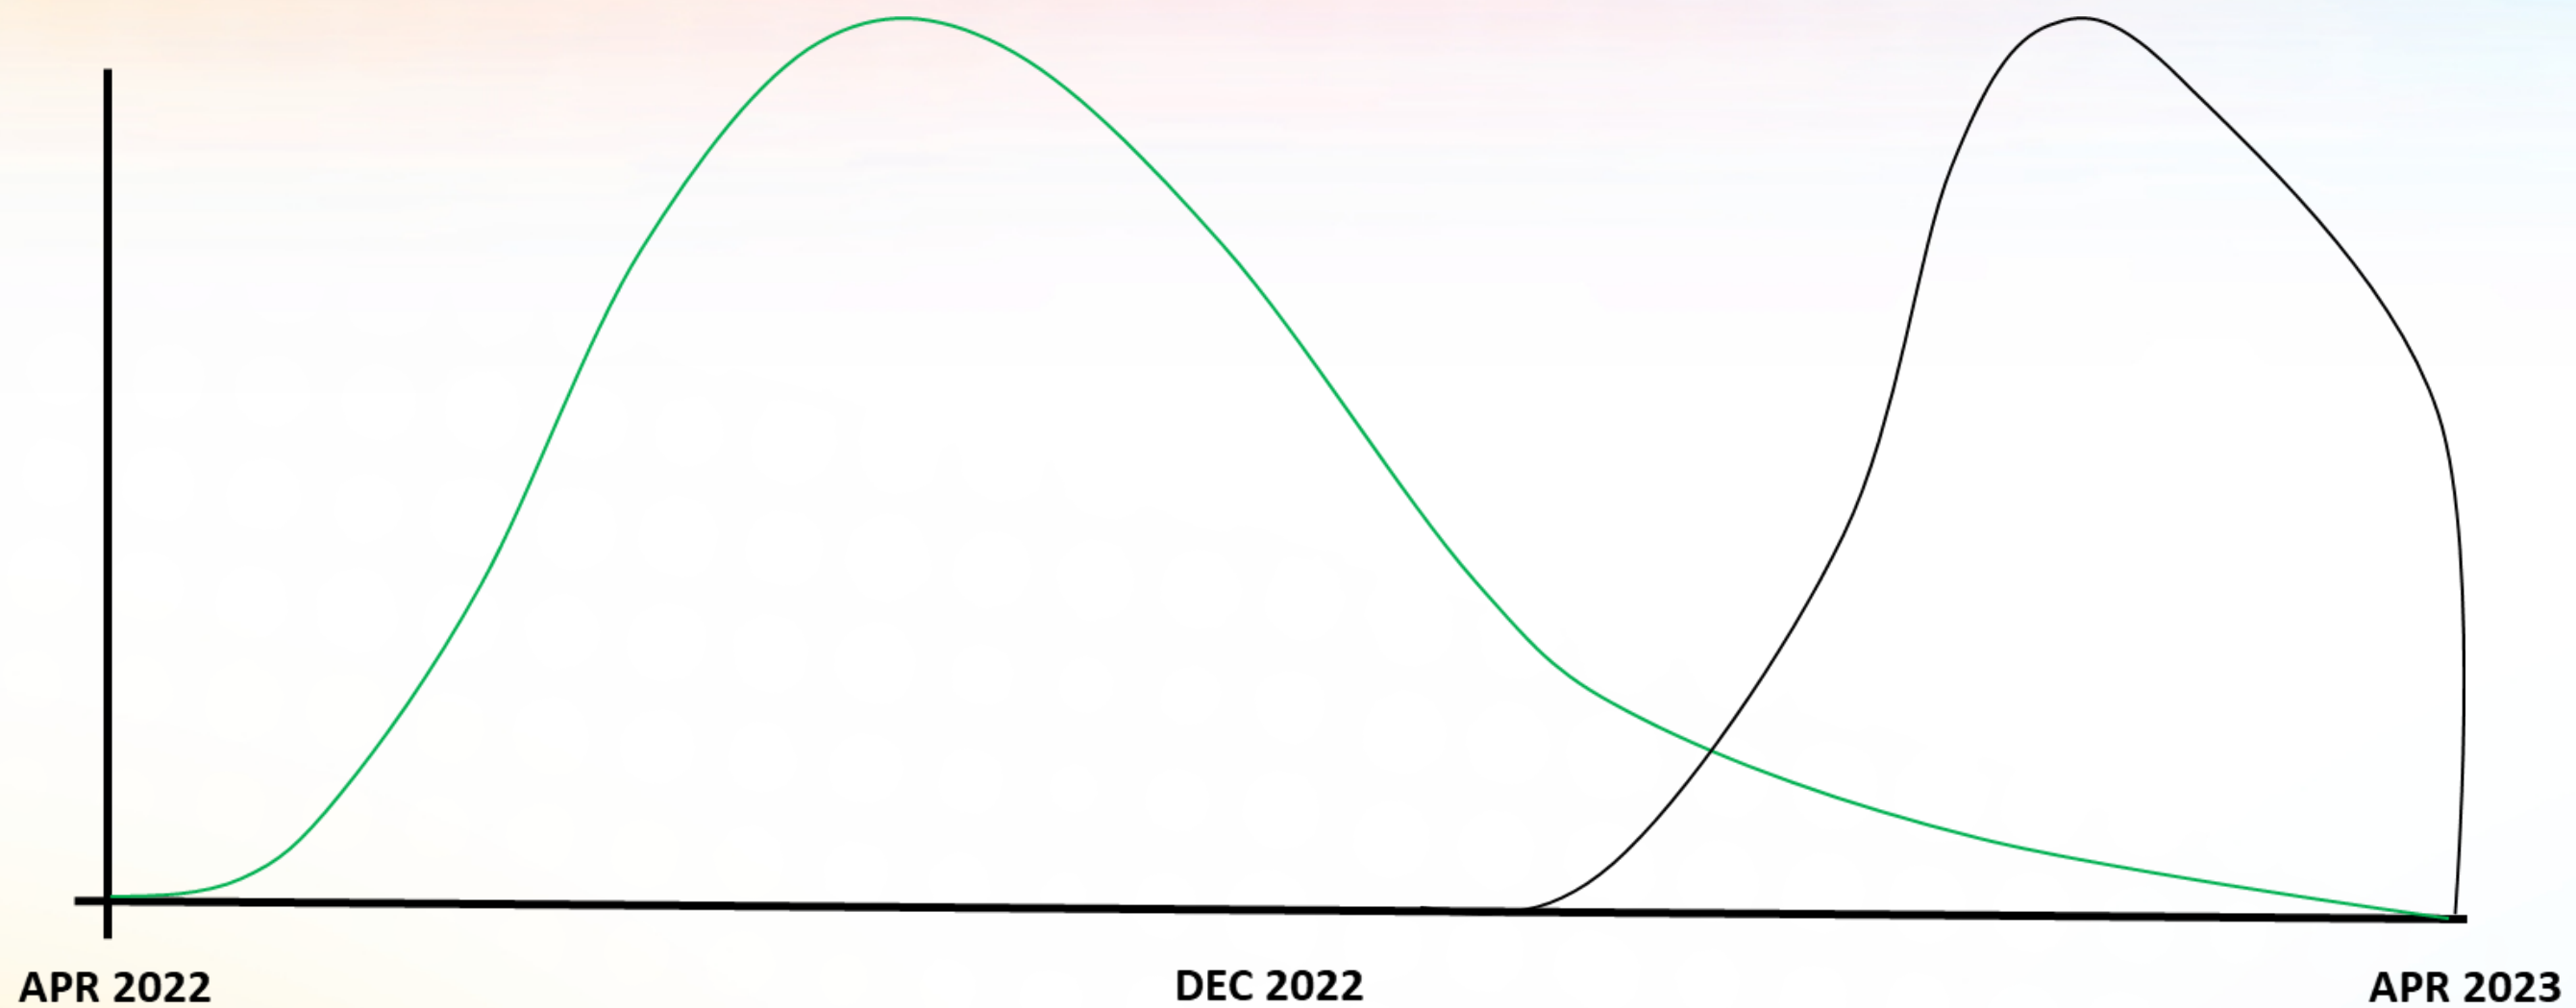

Enactus UK supports **all teams equally**
across the course of the year.

FACT-CHECKED 🔍

As a leader you can create a plan of early engagement and personally challenge your team to ask for help.

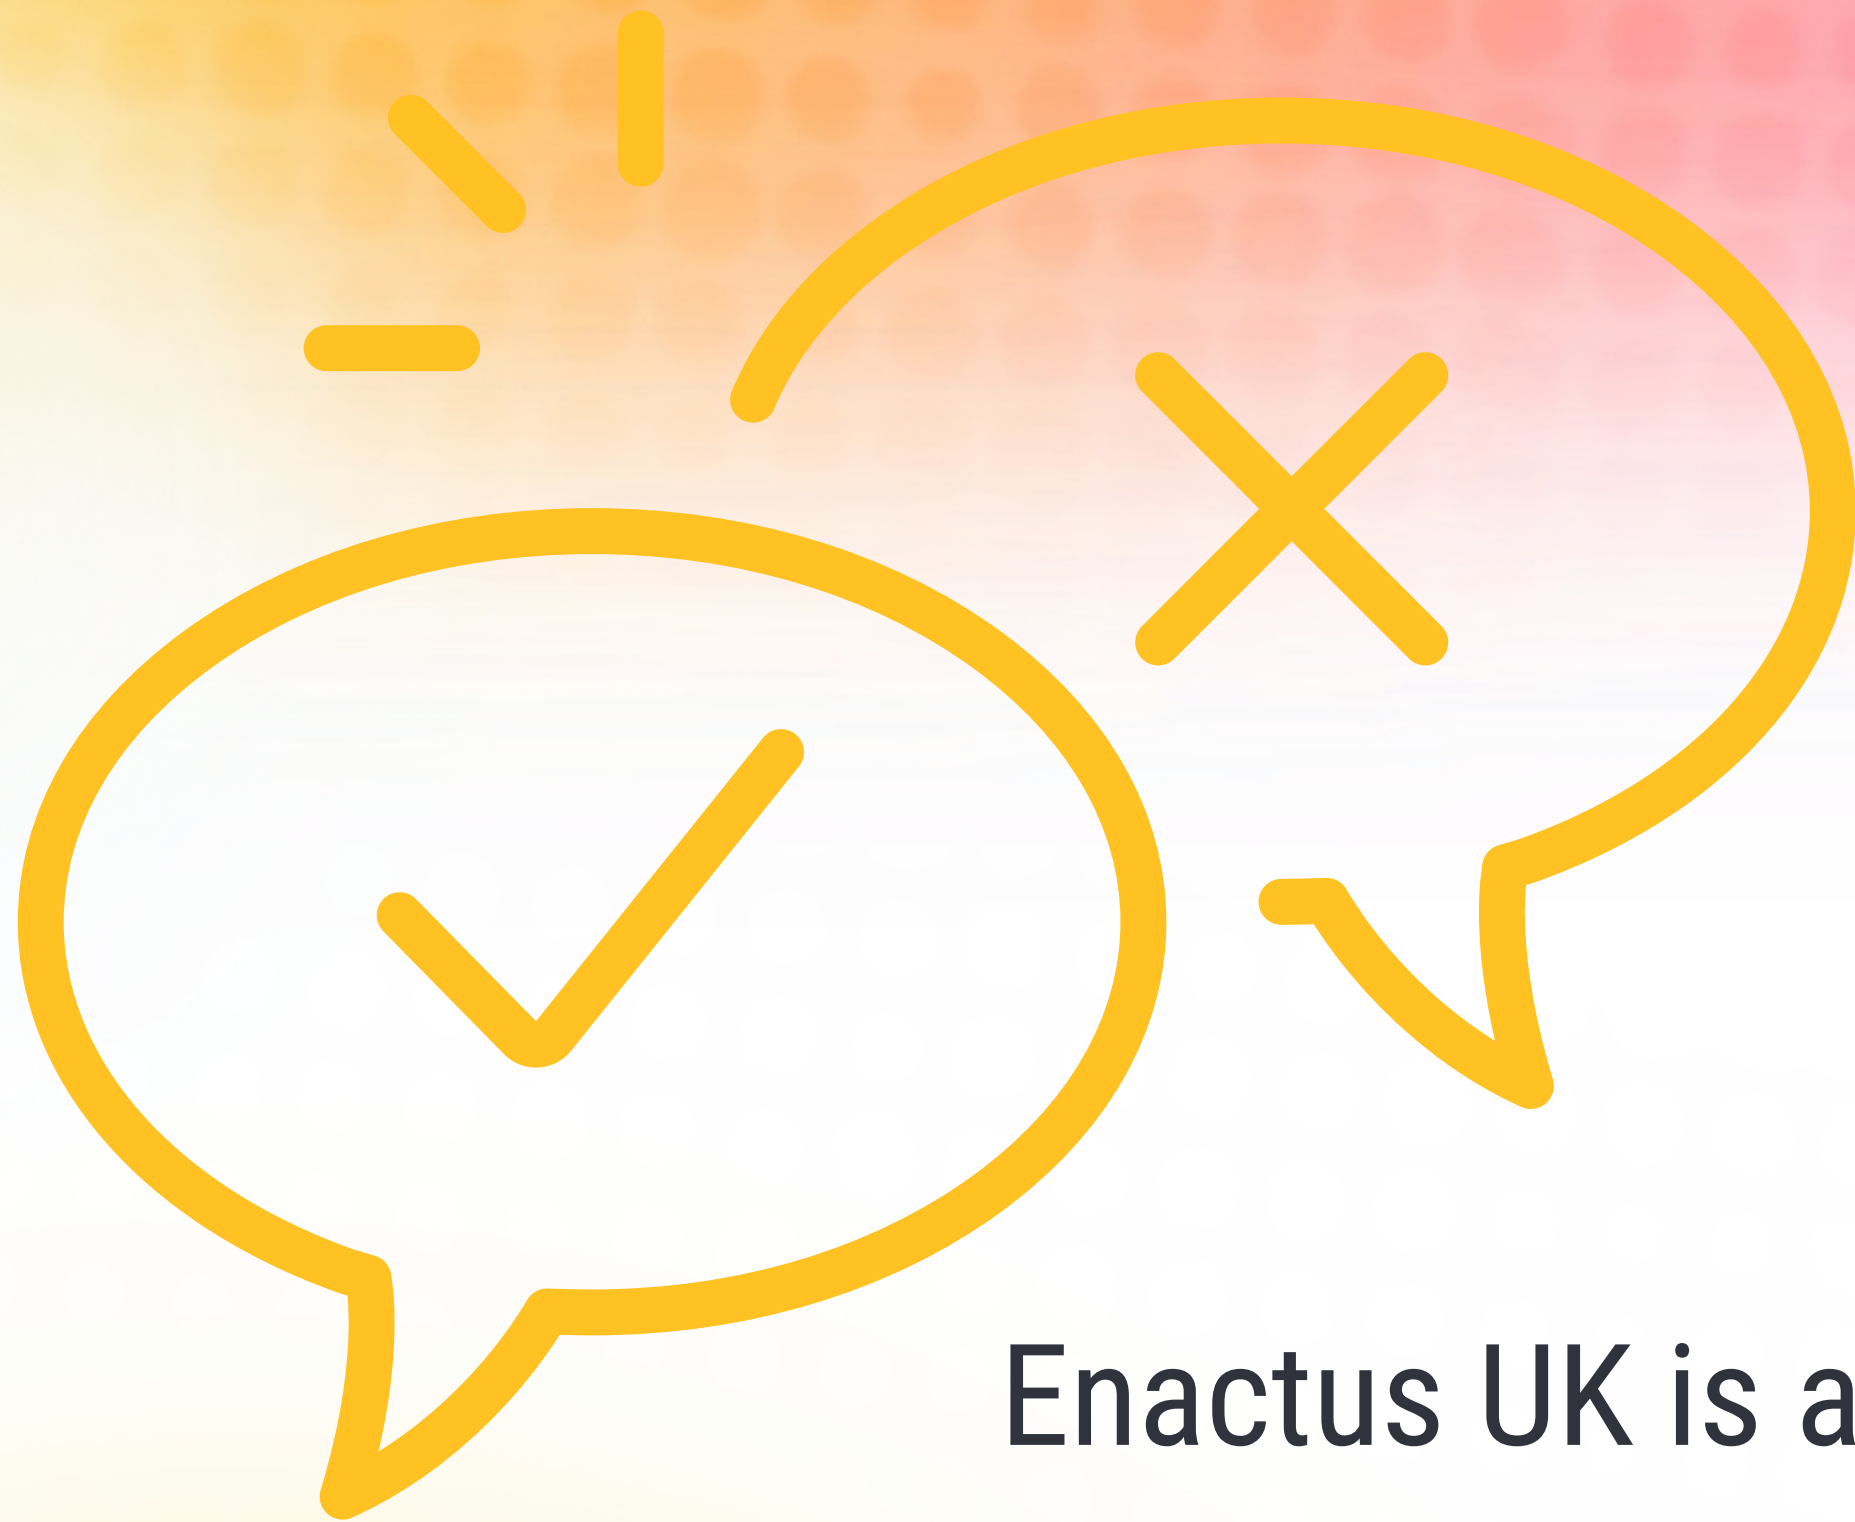

Enactus generates more than **£1m+** in revenue each year and **50% of this is from partners.**

The revenue we receive from our partners equates to **100% of our revenue** and last year it was at **£380,000**

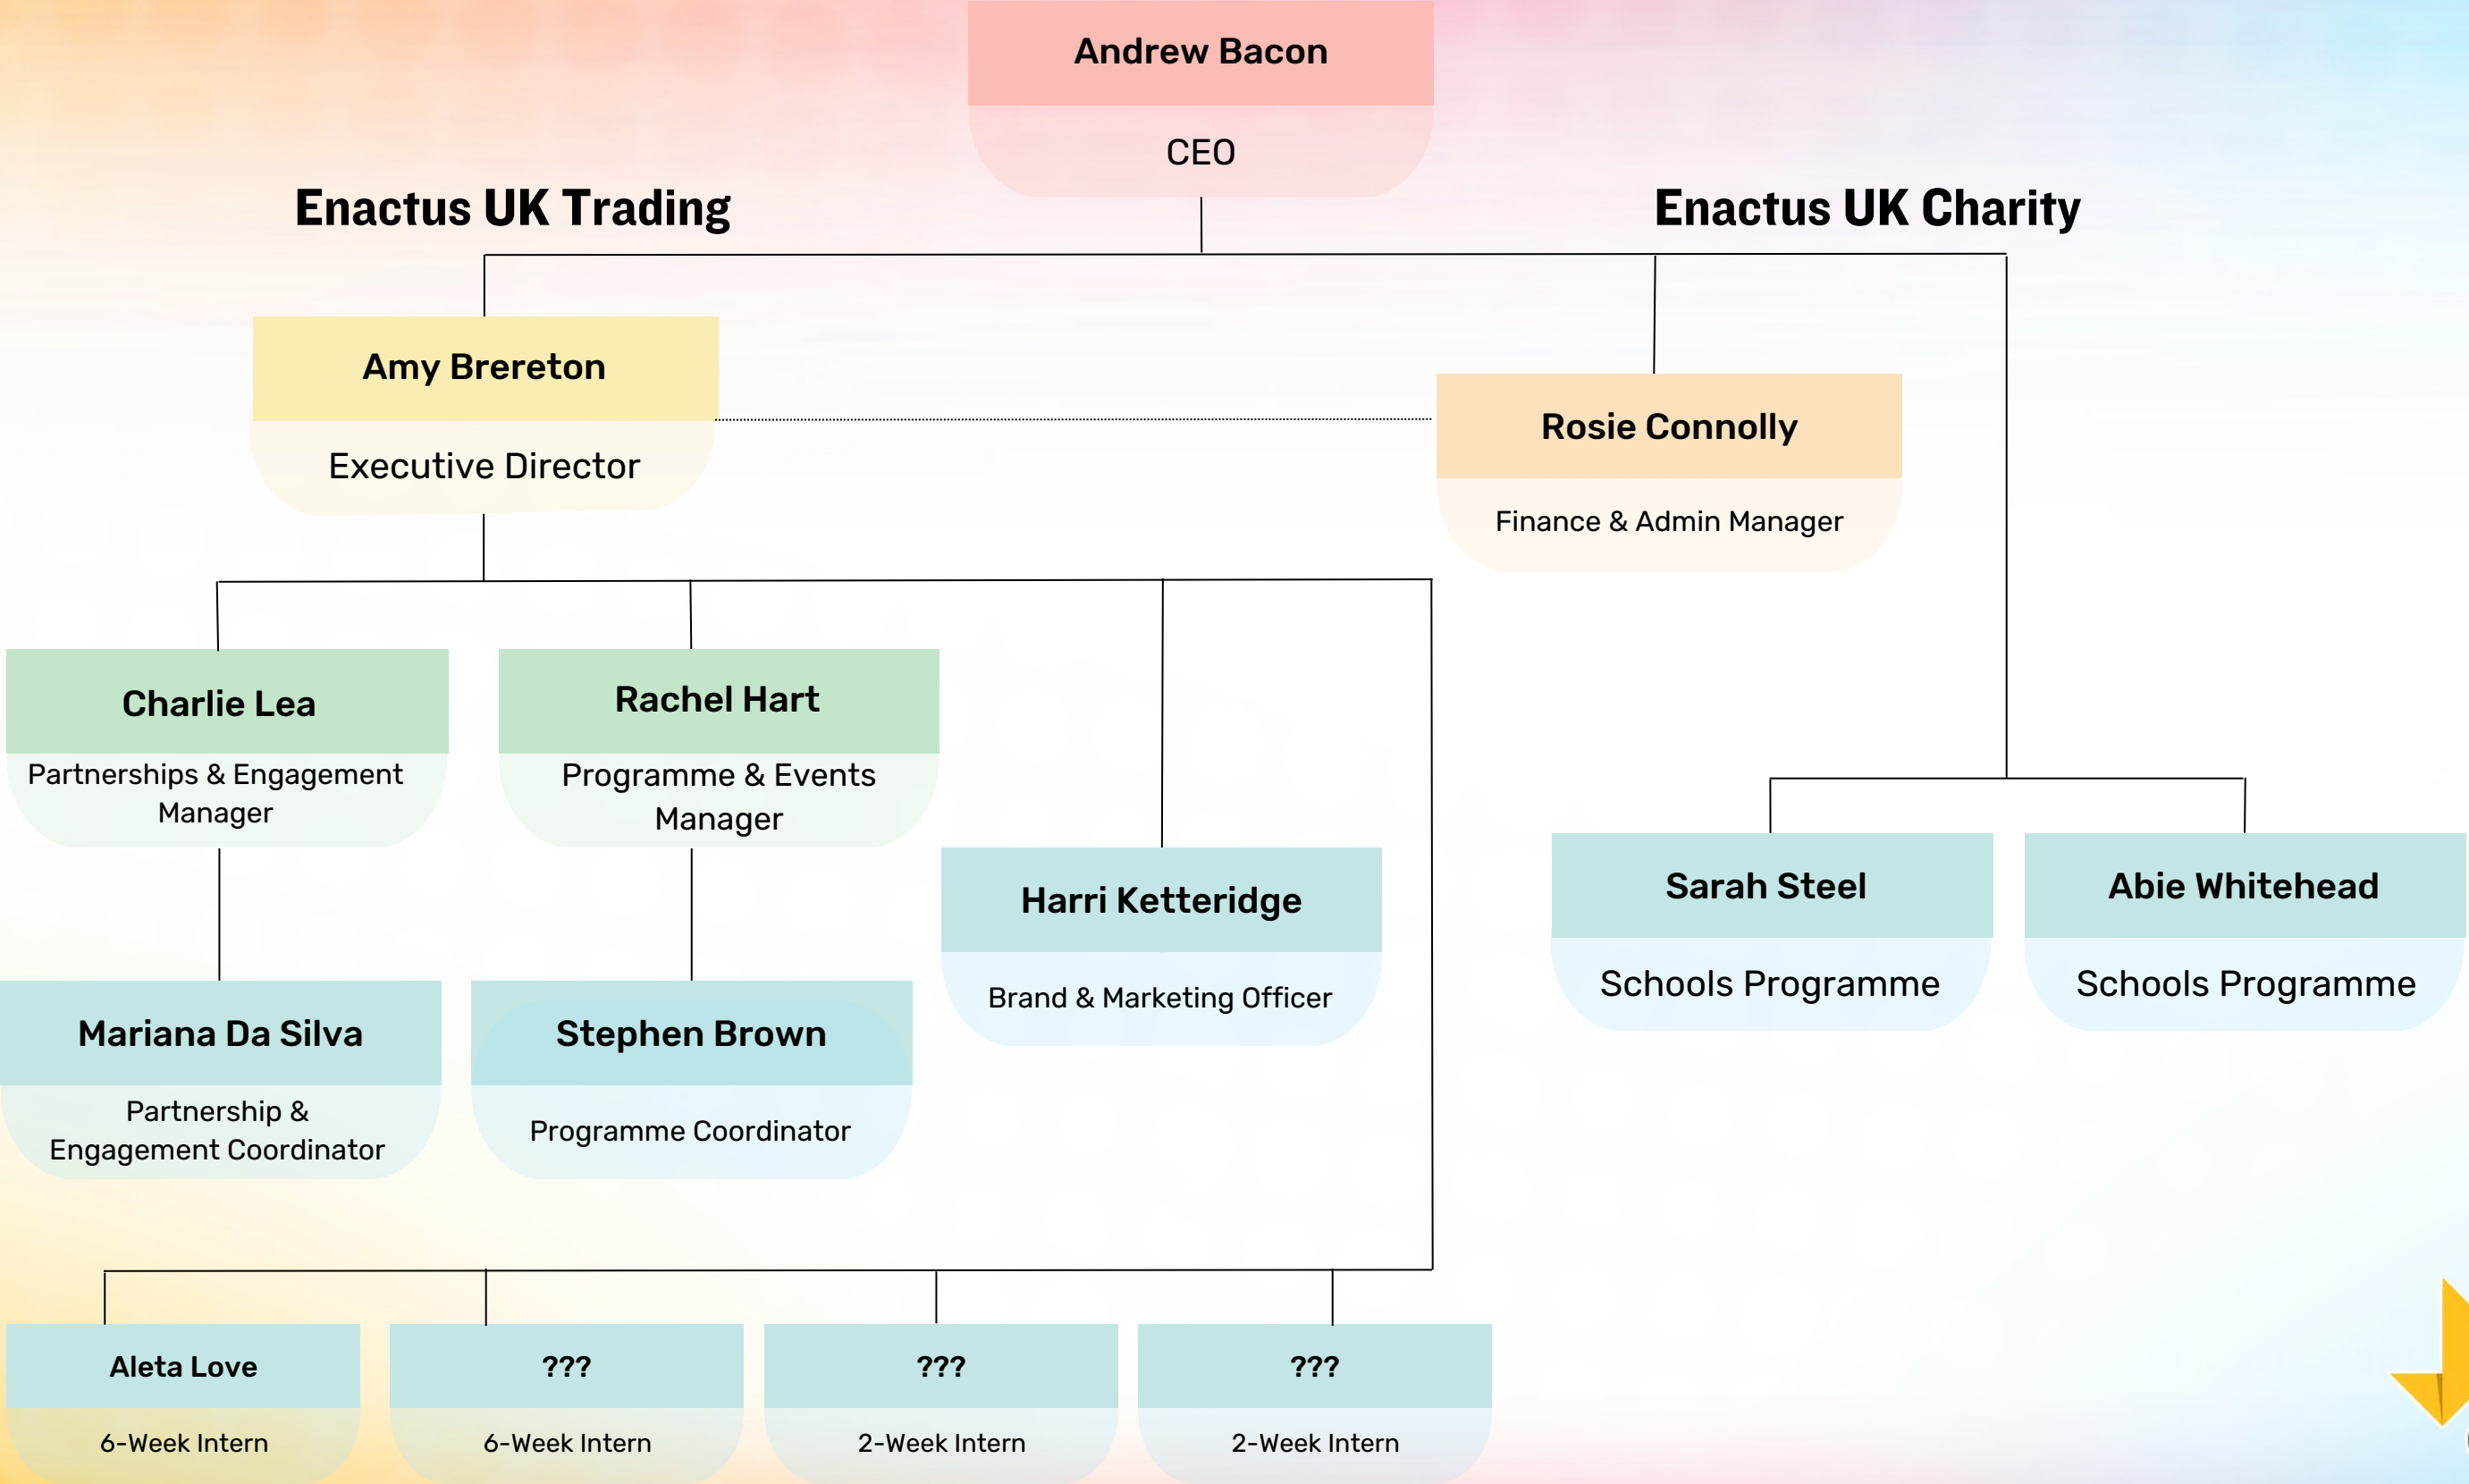

Enactus UK is a large organisation that employs over **25 staff** to support its programme.

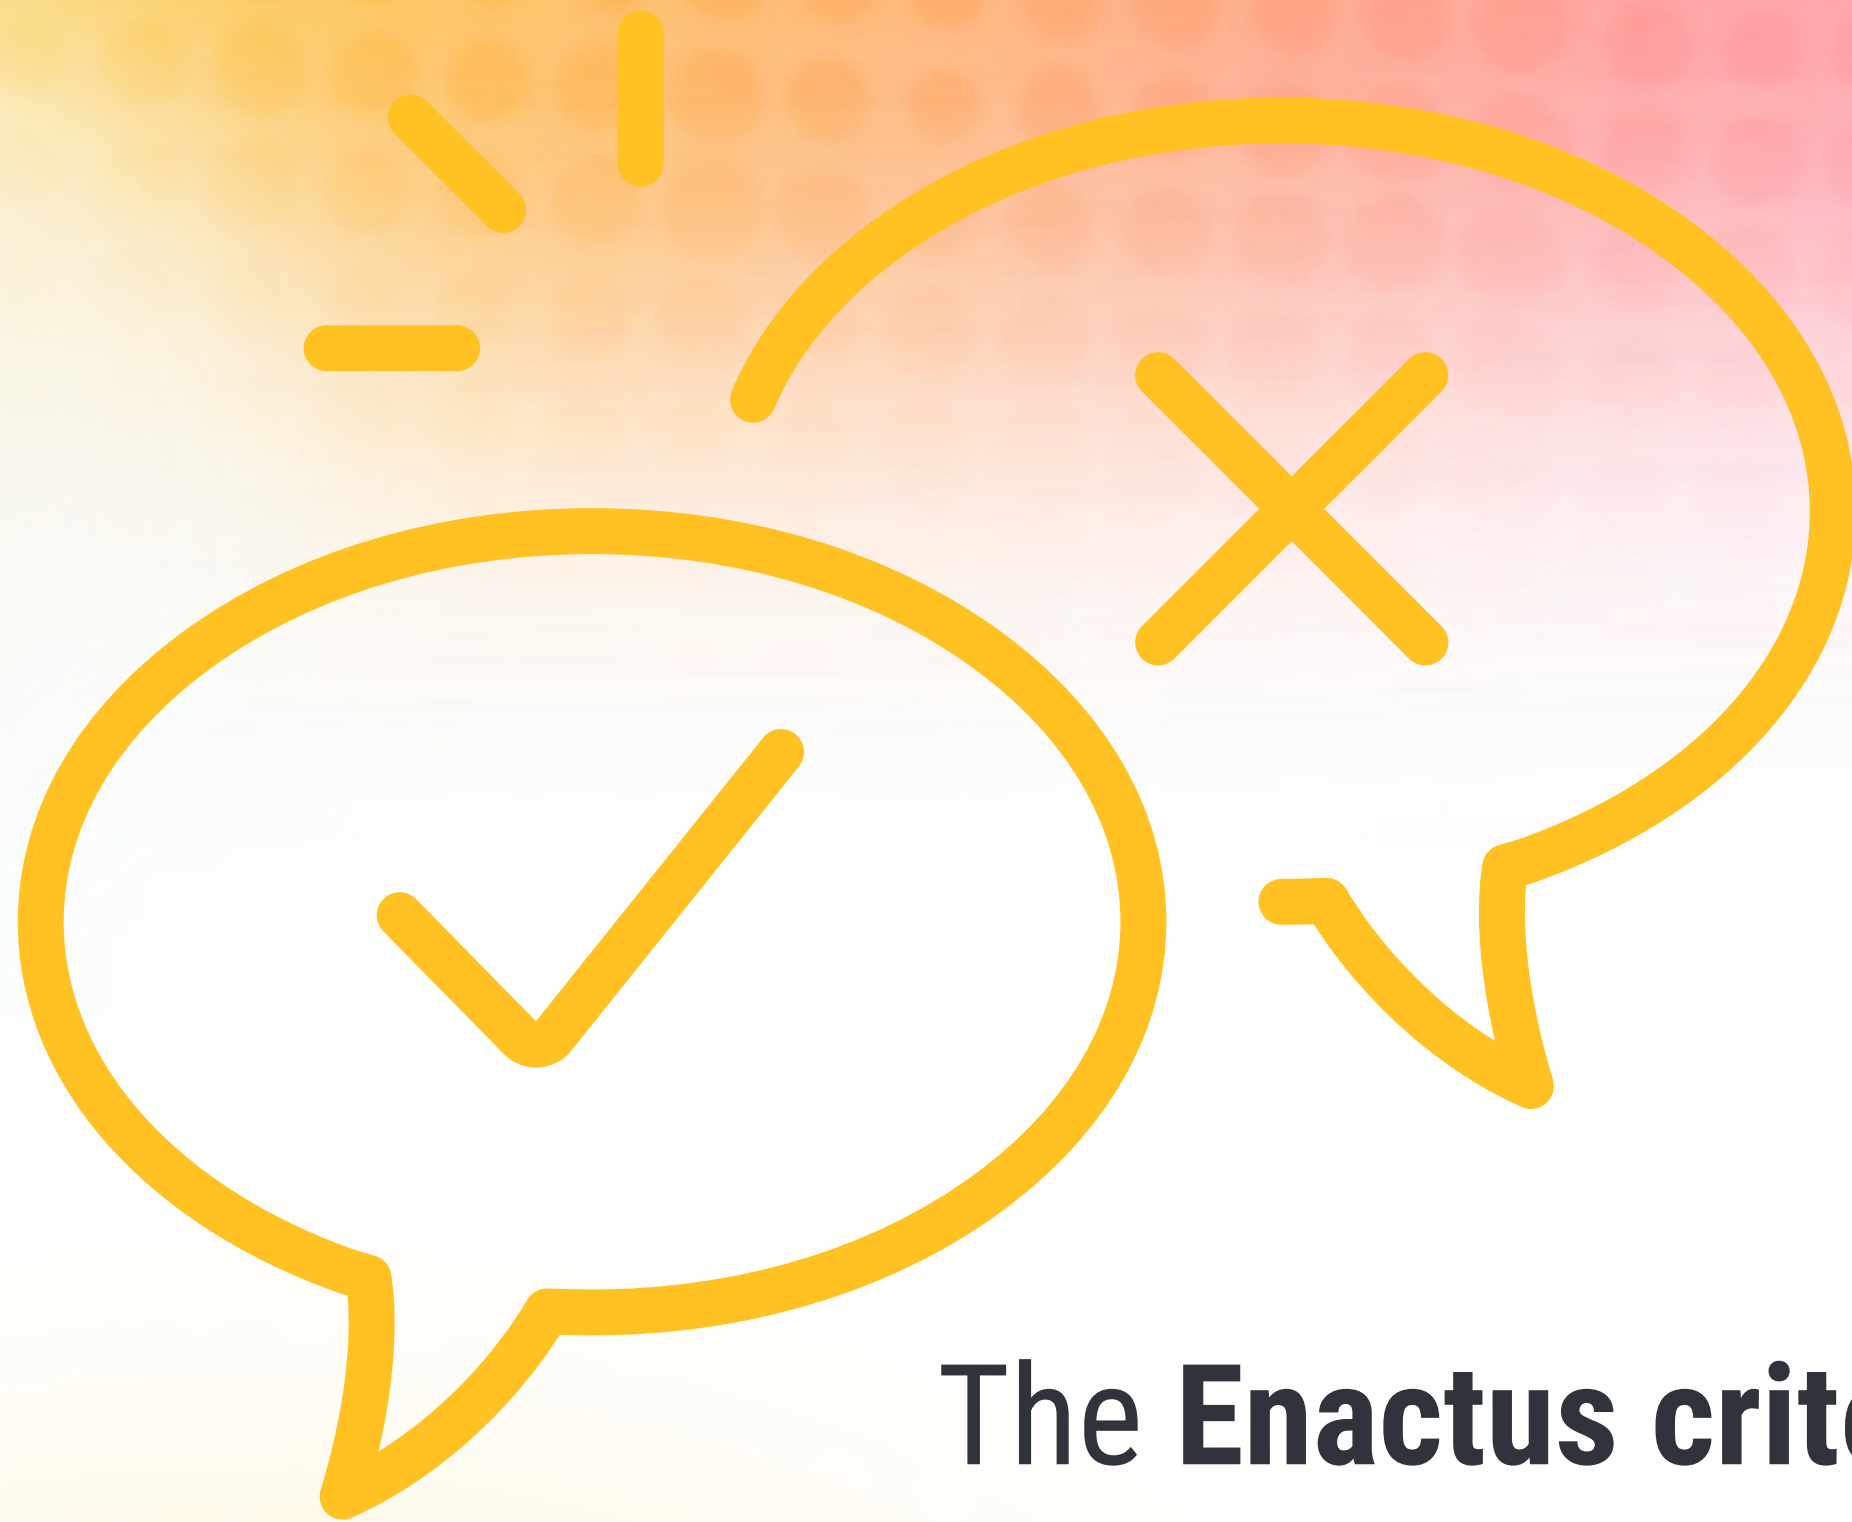

The Enactus UK Team is made up of **4 full-time members** of staff, and 2 part-time members.

ENACTUS UK STRUCTURE

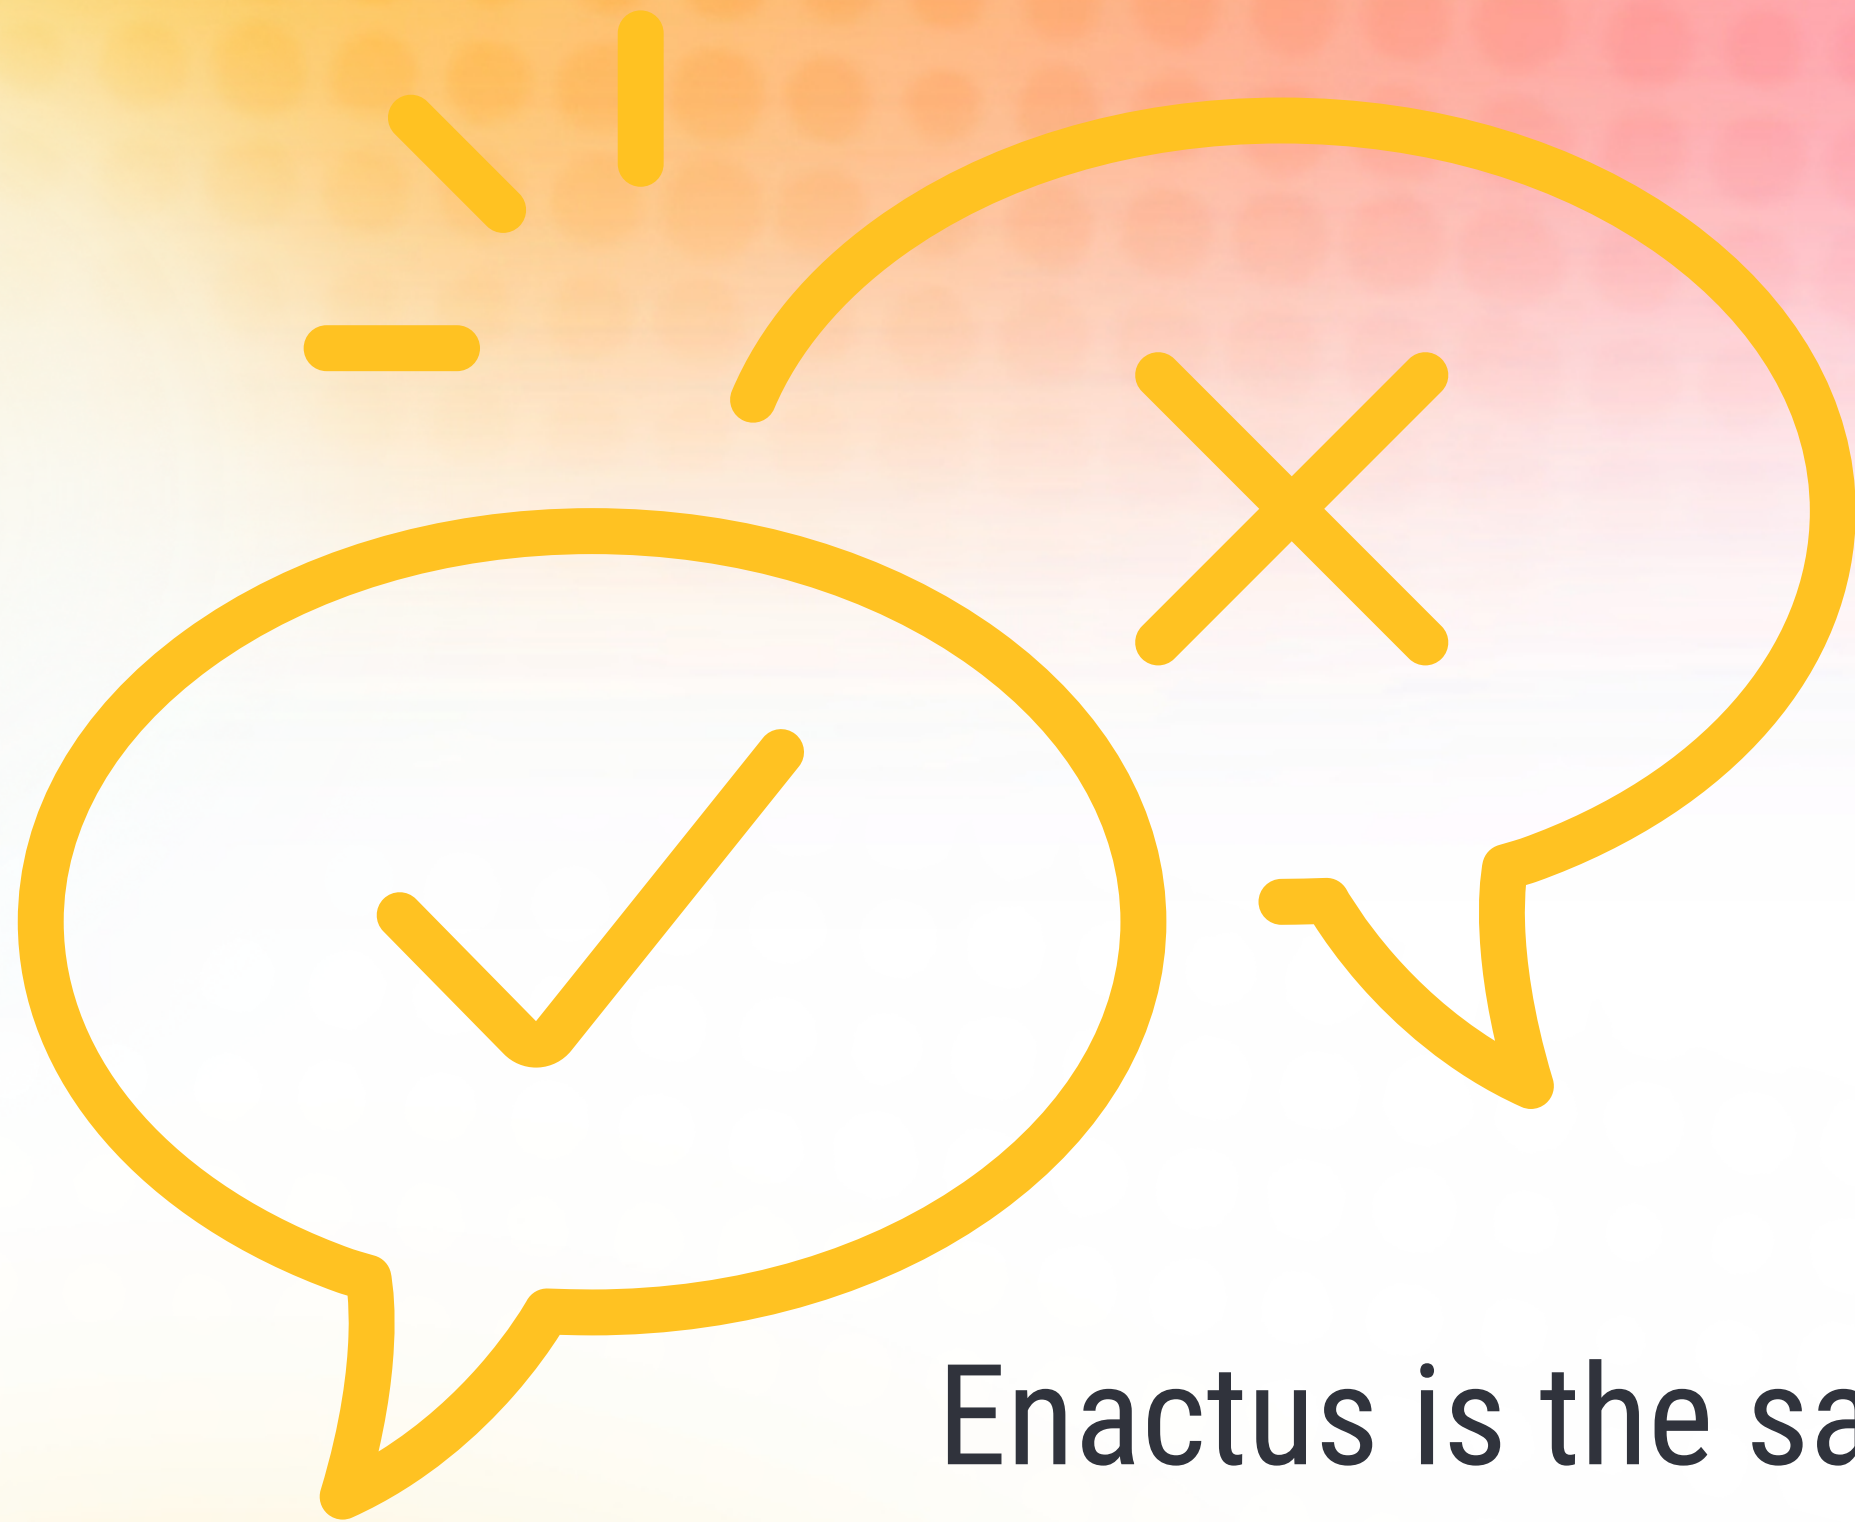

The **Enactus criterion** is the same criterion used for all teams and projects across the world.

The **Enactus criterion** is the same criterion used for all teams and projects **across the world.**

Enactus is the same as me attending a lecture on sustainability or employability. **It doesn't give any additional value.**

EXPERIENCES & CHALLENGES!

Having an ironclad plan for a problem is what counts, so until we get there we can't start our project.

FACT-CHECKED 🔍

As a leader, you can role model the practice of getting things done in short sprints.

You must have a project that has been established a **minimum of 3 years** to win the National Competition.

All projects are eligible - it's the impact you make that counts!

a better world.*

ACTION!

Reflection Point

What stood out to you as a key takeaway?

What do you know now that you didn't know before?

What action will you now take as a result of the session?
