Who for: Team members who are selling Enactus at the beginning/end of lectures.

Why: Increase Enactus team membership and capacity.

Hi my name is **X**, *(if more than one, add names)* and **I/we** are from Enactus **X**.

For those of you that haven't heard of Enactus before let us give you a brief intro before we tell you why you will want to join us...

Enactus **X** is part of Enactus UK, the UK's leading youth social action and youth social enterprise charity, working with thousands of young entrepreneurial spirits hopefully just like you every single year.

Using the framework of the sustainable development goals and the Enactus UK criterion, Enactus teams like ours across the country, support local communities using innovation and business principles. The Enactus UK mission is to create a better more sustainable world for us all, and we are Enactus **X** working with them to make this a reality.

Over the past year, we have run projects like **X (name)** which supports **X (insert beneficiary)** to **(what you enable)**. This is just one example of projects that you might join, or even create yourself through the Enactus programme.

That's not all though - by being an active member of our Enactus society you get exclusive access to personal mentoring, coaching for projects, grant funding to accelerate impact, employability skill build sessions, EDI focussed opportunities, insight days, career boot camps, as well as exclusive graduate job FastTrack from our fantastic partners such as Enterprise Rent a Car, EY, HSBC, Amazon, and Unilever.

Sound too good to be true? It's not! And as well as all of these amazing benefits, you also get to join a society of like-minded people and make friends for life.

So what are you waiting for? Find out more and register at enactusuk.org/join and join the only society that will help you make friends, transform lives and build your future.
