

# UA: Preparing for your Role

## Need to do

- Read through the resources on our website.
- Ensure you have read and understood our safeguarding policy here: <https://enactusuk.org/safeguarding-policy>.
- Schedule a meeting with your Enactus Committee and understand their current progress.
- Understand the Enactus UK Project Criterion and what makes a 'good' Enactus project.

## Nice to do

- Log on to the UA resource centre and look through the resources provided
- Join the [UA LinkedIn Group](#) to stay connected with your fellow coaches and share best practise useful resources and ideas.
- Join us on the Monthly University Advisor Webinar hosted by the UA Steering Group Committee
- Schedule a monthly or bi-weekly meeting with your Enactus team for across the course of the academic year.

## Best Practise

- Connect with your other University Advisors across the network to share best practise and support one another with any challenges
- Watch [Enactus World Cup Quality Presentations](#) of the best projects globally.
- Become an active member of the UA network - actively participate in the monthly coaching calls, support with advice/buddy-ing for other UA's
- Engage and communicate challenges, opportunities and support needed from Enactus UK
- Reach out to UA's for Top Teams, or previous UA award winners to find out Top Tips to support you on your UA journey
- Say YES to opportunities to get involved further - UA summits, regional feedback summits, coaching focus groups, additional volunteering etc.
